God in Love Unites Us - Circuit Discussion

We will be having Circuit Discussions about 'God in Love Unites Us' - the Methodist Conference report on Marriage and Relationships. It would be great if as many people as possible could be there.

There will be two meetings on Tuesday 25th February 2020.
2pm at Boundary Road Methodist Church
7pm at The Height Methodist Church
(These will be the same discussion, you only need to attend one)

As we will be discussing the report, it is really important that you read the report ahead of the meeting. You can download it from www.salfordcircuit.org.uk/god-in-love-unites-us and there will be two printed copies left in each church.
