Renewal and Rebellion: Faith, Economy and Climate – Joint Public Issues Team Conference

Saturday 7th March 2020, 10am – 4pm, The Riverside Centre, Derby

How do we need to change our political and economic assumptions in order to meet the challenges of climate change and growing inequality? How can we model new ways of living ourselves and as churches? How does our hope in God's future empower us to live a hopeful, abundant life on a finite planet?

The Joint Public Issues Team's 2020 national conference invites you to join at looking at these questions. Speakers include Ed Miliband MP, Christine Allen, Director of CAFOD and the Rev'd Lucy Berry, poet in residence. Find out more and book your tickets now at www.jointpublicissues.org.uk/conference2020
